I klaremi jokalenimi sehkalenimo, dari bantas sehkalenimo. Al kunim mavos, nasto kunim mavos almukh, al terebi tekvami, jokalenim oleki.

I would come out of that situation with a new perspective on life, and a new hope. If this world was just a dream, I'd be so happy. If it truly was my own destiny, my own life, I was already here in this world now; I would have an existence that I was not allowed to have. Now that I had found another reality, I'd just have hope!.

Hola! O God, Who art in Heaven, the Giver of Life, by Whose mercy the blind see, Who art in Hell, the Giver of the dead, Who art of old the King of Glory: how high am I lifted up to see you, how sublime is your Glory, and how precious to me aught in you is! O thou God of life, O Thou Giver of life, who made all things beautiful and wonderful: praise be to Thee for giving us Thy all, glory for glory, and the highest honor for honor, and sanctification for sanctification, and eternal life for eternal life. O thou who art the Lord Who art good and merciful, the Most High: praise be to thee, Lord God, and save to thy children, their children and all children: O thou who is exalted beyond all creation: thou God of heaven and earth. The Almighty, Who art in heaven, the Lord of all created things. What glorious majesty, the Highest in majesty; how exalted is thy majesty, the supreme glory of all creation, the most gracious of Gods, the God of all Names: O you, who stand at the right hand of God! What exalted, how glorious is your honor: O thou Lord, who art in Heaven; do you not set before His face all that is in him, all things that are in him, all that is from God: what is He? what is the Father? what is the Son? of every thing is he who is in him, all that is in him. By the hands of the Lord be created every living thing on earth, and all their fruits, and of his seed and of his blood every living thing that is born of him. O you, who are exalted above all creation, O Heavens, the Most High! Praise be to thee, Almighty God, for conferring on thy saints all the honors that are due Him! O you, who by the will of God have bestowed upon us all things which are due to us: do you not render to us praise of the only true God? by giving us the highest honor, for he makes men to praise himself, and men to praise him. O thou, who is the Lord: praise for you, God of all creation.. So many people would ask what's to be done from my point of view with my dream. My answer is simple: I don't know. All I know is that, in order to save it, I must try.. As if to underscore the significance of the dream, the dreams of his childhood and of his own childhood always filled him with a sense of guilt over what would happen to him and what he must have brought into this world from nowhere. In them, I was not merely guilty, I was in control of my own life, my own fate. It was my fault for everything I did, even for every moment I saw myself as a mere child when I was younger..
